WELCOME TO TRI AREA SKATING CLUB STARSKATE PROGRAM

Where Success Begins

Fun, Achievement, and Fitness - These are the goals of the Tri Area Skating Club

We are thrilled to have you and your skater join our non-profit, community-oriented club. Formed in 2013 through the proud merging of the Stony Plain and Parkland Skating Clubs, we operate as a Skate Canada sanctioned organization dedicated to providing top-quality, safe, and family-valued skating instruction.

Under the guidance of our fully certified National Coaching Certification Program (NCCP) professional coaches, our goal is to inspire fun, personal achievement, and lifelong fitness on the ice. This handbook is designed to guide you through our club's culture, policies, and expectations.

We look forward to a fantastic season of watching your skater grow, build confidence, and discover where success begins!

We operate out of the following arenas:

Tri Leisure Centre

221 Jennifer Heil Way
Spruce Grove

Glenn Hall Arena

5300 52 St
Stony Plain

Heavy Metal Place

50 Westwind Dr

COMMUNICATION GUIDE

WEBSITE www.triareaskatingclub.com

Our website is your ultimate go-to resource for staying connected and informed. Visit us regularly for up-to-date information on:

- **Schedules:** Monthly calendars and ice changes.
- **Club Essentials:** Registration, club policies, and safety guidelines.
- **Community & Events:** Fundraising opportunities, volunteering sign-ups, and competition details.

ADMINISTRATIVE DIRECTOR

Contact Cheryl at info@triareaskatingclub.com for questions on registration, invoicing, payment arrangements, fundraising, and volunteering options or credits earned.

COACHES

Your **assigned base coach** is your primary point of contact for your skater's day-to-day needs and long-term planning. Please reach out to them directly regarding:

- **Attendance:** Notifying them if your skater will miss a session.
- **Lessons & Scheduling:** Planning lessons, booking additional ice time, and budgeting.
- **Progress & Competitions:** Requesting progress reports, asking competition questions, or discussing goals.

COMPLAINTS

Please follow the below sequence for complaints.

Complaints must be submitted in writing.

COACH INFORMATION

BASE COACH

Your Base Coach is your athlete's primary coach and main point of contact throughout the season. They are responsible for:

- Planning and delivering the majority of your athlete's lessons.
- Monitoring and supporting your athlete's overall development.
- Communicating with parents regarding progress, goals, and development.
- Answering any questions related to your athlete's skating development.

Your Base Coach will provide regular progress updates throughout the season to keep you informed of your athlete's growth and achievements.

If you would like your athlete to receive additional lesson time, please discuss this with your Base Coach, who will work to accommodate the request whenever possible.

SUPPLEMENTAL COACH

A Supplemental Coach is a coach who works alongside your athlete's Base Coach to support their development. They may provide additional lessons and assist with skill progression; however, they are not your athlete's primary coach or main point of contact.

For questions regarding your athlete's development, lesson planning, scheduling, or overall progress, please contact your athlete's Base Coach.

COACH MONTHLY FEES

Each coach will invoice you directly for the lessons they provide to your athlete. Lesson fees are billed monthly and are not included in your skating registration or ice fees.

Payment is made directly to each coach. If your athlete receives lessons from more than one coach, you can expect to receive separate monthly invoices from each coach.

In addition, Skaters who require solo music will be charged a fee for music editing/cutting. This fee will be invoiced directly by the coach.

STARSKATE DISCIPLINES

SKATING SKILLS

The discipline of Skating Skills are exercises containing edges, turns and field movements designed to expand on the fundamental movements for skaters of all levels. The basic components of all disciplines of figure skating are contained in the program. Edge quality, control, power and speed are basic skating fundamentals that are mastered in the skating area.

DANCES

The discipline of Dance consists of eleven levels of tests. It teaches timing, musicality, rhythm, interpretation and structure, as well as, basic skating skills such as edges, flow, control and unison. Dancers skate solo or partnered to various musical rhythms, including waltz, tango, and blues. Each compulsory Dance has a series of steps that must be skated in a specific pattern. Dancers progress through the eleven different test levels and can skate the Dance tests in any order within each level. A skater must pass a specified number of the test Dances at one level before proceeding to the next.

FREESKATE

In a FreeSkate, skaters learn how to jump and to spin in a variety of positions and to incorporate those and other skills in a program of a specified length using connecting steps and music.

Each FreeSkate test is divided into two parts (except Star 1): Elements in Isolation and Free Program. The Elements in Isolation consist of stroking exercises (which all must be assessed as Satisfactory or better in order to pass), jump and spin elements, field movements and step sequences. Of the 14 elements performed at each level, 12 must receive Satisfactory or better evaluations in order to pass that portion of the test. The Free Program is a program of a specified length skated to music of the skater's choice. The program must demonstrate certain elements in order to be passed.

ARTISTIC

After a skater has passed Star 4 skills they can have an artistic program. The objective of the artistic program is to encourage and develop skaters' creativity, expression, musicality, movement, interpretation of music, as well as the use of space, rhythm, line and style. The program provides skaters with the opportunity to explore the performance aspect of skating without focusing on technical elements. The artistic tests consist of skating to and interpreting a piece of music 2.0 to 3.0 minutes (+/- 10 seconds) in length.

ASSESSMENT INFORMATION

WHAT IS AN ASSESSMENT

The Skate Canada STAR Program consists of STAR assessments, STAR competition categories and supplementary events.

STAR 1-5 assessments are coach assessed and include Skills, FreeSkate, Artistic, and Dance.

Assessments at the STAR 1-5 level are designed to support skater development within their own environment and remove barriers such as extra costs, inconvenience and time constraints.

Coaches will let parents know when a skater is ready to take an assessment, the assessment fee must be paid prior to the assessment taking place.

Star 1-5 Assessment fees are: \$15 per assessment, paid prior to assessment day

HIGH ASSESSMENT DAY

Star 6+ assessments are evaluated by an external adjudicator on High Assessment Day. This happens 3 times a year (fall, winter, spring) Regularly scheduled programming is cancelled on High Assessment Days, but skaters not participating in high assessments are welcome to attend as spectators and cheer on their fellow skaters!

Skaters must be dressed appropriately. The coach will advise the skater on what is expected. Gloves and a warm-up jacket are allowed during warm-up, make sure they can be easily removed for the actual test.

High Assessments fees are: \$26 per assessment, paid prior to assessment day

Tentative 2026-2027 High Assessment dates are: December 17, March 25, and May 27

ATTIRE

PRACTICE

Skaters should wear fitted shirts/jackets and leggings/pants. Skaters should not wear any clothing that impedes their mobility, balance, and/ or vision. Mittens are optional. Hair must be out of the face and tied back. Water bottle is recommended.

By the time a skater reaches **Star 2 or 10 years of age**, they are expected to be able to tie their own skates independently.

If a skater is unable to do so, a parent or guardian may enter the dressing room only to assist with tying skates. Once their skater is ready, parents are asked to leave the dressing room promptly.

OFF ICE

Skaters should wear fitted shirts/jackets and leggings/pants. No hoods, jeans, or baggy clothing are permitted. Hair must be out of the face and tied back. **Must** have appropriate running shoes, spinner, and yoga mat for classes. Water bottle is recommended.

COMPETITION

To ensure a professional appearance and comply with competition standards, skaters are expected to follow these basic dress code guidelines:

- Competition dresses should be clean, well-fitted, and appropriate for the athlete's age and event.
- Clothing should not be revealing. Midriffs should be covered, and necklines should be modest.
- Undergarments should not be visible.
- Hair should be neatly secured away from the face. Hair accessories should complement the outfit and remain secure throughout the performance.
- Tights should be in good condition, free of holes or runs, and worn as required for the discipline.
- Skates should be clean and in good condition. Laces should be clean and securely tied.
- Minimal jewelry is recommended. Avoid large or dangling jewelry that could become a safety hazard.
- Costumes should not include accessories or props that could fall onto the ice.

If you are unsure whether a dress meets competition requirements, please consult your Base Coach before the event.

COMPETITIONS

STAR 1-3 COMPETITIONS

Skaters in the Star 1–3 program have the opportunity to participate in competitions throughout Alberta. Competitions are optional and not a mandatory part of the program.

If your skater is interested in competing, please discuss with their base coach before registering for a competition. This ensures that a coach is available to attend and support your skater at the event.

COMPETITION FEES

Each competition has a registration fee for every event entered. Registration fees are determined by the host club and vary from competition to competition.

In addition to the competition registration fee, skaters will receive a separate invoice from their coach for coaching fees associated with the competition.

TASC NEXT GENERATION COMPETITION

Each February, TASC proudly hosts a Star 1–3 competition. This local event provides a fun, supportive environment for skaters to experience competition for the first time while competing close to home. It is an excellent introduction to the competition atmosphere and a great opportunity to build confidence.

VOLUNTEERS NEEDED

Our competition is only possible because of the incredible support of our volunteers. This is an excellent opportunity to complete your volunteer commitment while helping create a memorable experience for all of our skaters. Volunteer sign-up information will be shared closer to the event.

STAR 4+ COMPETITIONS

Skaters in the Star 4+ program have fewer competition opportunities throughout the season, as events at this level are more limited. If your skater plans to compete, please let their base coach know at the beginning of the season. This allows coaches to plan accordingly and ensure they are available to support your skater at competitions. <https://skateabnwtun.ca/wp-content/uploads/2026/04/2026-2027-Event-Calendar-F.pdf>

Further competition information such as the Alberta NWT Competition calendar can be found on the club website: <https://www.triareaaskatingclub.com/pages/programs/starskate/>

ICE SHOW

Each year, TASC proudly presents its Annual Ice Show, giving every skater the opportunity to showcase the skills, confidence, and progress they have achieved throughout the season. It is a highlight of the year and a wonderful celebration of our skaters' hard work and dedication.

2027 ICE SHOW

- **Date:** March 14, 2027
- **Time:** 1:00–4:00 p.m.
- **Location:** Heavy Metal Place, Spruce Grove

MANDATORY REHEARSAL WEEK

The week leading up to the Ice Show is a **mandatory rehearsal week** for all participating skaters.

REHEARSAL DATES: March 8–13, 2027

During this week, skaters will learn and rehearse their group and solo performances to ensure everyone is prepared for the show. A detailed rehearsal schedule will be shared with families in the New Year.

VOLUNTEERS NEEDED

Our Ice Show is only possible because of the incredible support of our volunteers. This is an excellent opportunity to complete your volunteer commitment while helping create a memorable experience for all of our skaters. Volunteer sign-up information will be shared closer to the event.

INVOLVEMENT

Ice Show is not mandatory to participate in, if skaters choose to not partake in the Ice Show, they can follow the Make Up Ice Policy to ensure no loss of skating time.

PRACTICE GUIDELINES

SKATER RESPONSIBILITY

Unlike group skating programs, the StarSkate program focuses on independent practice supported by scheduled private or semi-private lessons with your athlete's Base Coach and/or Supplemental Coach.

Throughout the season, coaches will work with each athlete to develop individualized practice plans. These plans help ensure skaters know what skills, exercises, and programs to focus on during each practice session, allowing them to make the most of their ice time and continue progressing toward their goals.

WHAT IS STROKING

Stroking classes are included in your registration fees and provide skaters with the opportunity to train together under the guidance of a coach. These classes focus on developing fundamental skating skills, including power, endurance, edge quality, turns, extension, and overall skating technique.

On-ice sessions include a 15-minute stroking class. Skaters who are scheduled to be on the ice that day are expected to participate, as these sessions are an important part of their overall training and development.

OFF ICE

Off-ice classes are included in your registration fees and are an essential part of your athlete's overall training and development. These classes focus on building strength, flexibility, balance, coordination, jump technique, dance, and overall athletic performance.

Skaters are encouraged to attend all scheduled off-ice classes, as they play an important role in improving on-ice skills, preventing injuries, and supporting long-term athletic development.

SKATER CODE OF CONDUCT

1. Treat employees and visitors at the TransAlta Tri Leisure Centre and the Glenn Hall Arena, and any other arena in which we are skating out of with respect. Municipal Arena rules must be followed.
2. Be courteous to other skaters, coaches, judges, board members, parents, arena staff and visitors at all times.
3. Respect the rights, dignity and worth of all participants regardless of gender, ability, cultural background or religion.
4. Show consideration for coaches and other skaters involved in lessons during a session. A lesson should not be interrupted by another skater or any other person unless there is an emergency. Please contact the Board with any questions or concerns, or to arrange a meeting with your coach to discuss skater development.
 - a. Please keep in mind that we do have a lot of skaters in various programs at the TASC, we are a volunteer Board of Directors and the coaches are paid, private contractors. If the Board feels that any of the aforementioned people's time is being monopolized, you will be charged for the time it takes to answer your questions/ concerns.
5. Promote the well-being of fellow skaters through positive encouragement and through reporting any unhealthy or dangerous conduct to coaches or Board members.
6. No cell phone use during the sessions. This includes but is not limited to: talking on the phone, texting, playing games and looking things up on the internet.
 - a. Cell phones may be used in the case of an emergency and the coaching staff have been notified.
 - b. Cell phones may be used for training purposes, such as videoing or recording tests being taken.
7. No food, candy or gum is allowed on the ice. Plastic or aluminum water bottles are allowed on the ice but must be left at the boards. Glass water bottles are not permitted.
8. Hair must be securely tied back during class time.
9. Skaters should not wear any clothing that impedes their mobility, balance, and or vision.
10. The following right-of-way order is to ensure the safety of all skaters and coaches on the ice and is in effect during all StarSkate club sessions:
 - 1st Priority: Skater in their program/ dance with music or being partnered
 - 2nd Priority: Skater in a coached lesson.
 - 3rd Priority: Skater in a spin or jump entrance.
11. StarSkate Music Priority:
 - 1st Priority: Assessments.
 - 2nd Priority: Lessons/ Dance partnered lessons.
 - 3rd Priority: First Come, first served.

-
12. It is important to be aware, cautious, and considerate of other skaters. Please be especially aware that there may be different levels of skaters sharing the ice at the same time. Skaters must skate with their heads up and always be aware of others.
 13. Keep moving! Look both ways when leaving the boards. Do not linger. Socializing with fellow skaters is best done off the ice before or after sessions and not on the ice.
 14. Profane, abusive, disruptive, inappropriate or disrespectful language, gestures or actions during on-ice or off-ice sessions will not be tolerated. Disrespect towards anyone including but not limited to: fellow skaters, coaches, administrators, Board members, or arena staff will not be tolerated.
 15. Arrive on time for your sessions, allow adequate time to warm up and stretch prior to stepping on the ice to prevent injuries.
 16. Skaters must inform a coach before leaving a session.
 17. The skaters on the ice are not under the supervision of their coaches; the coaches will not be responsible for taking athletes to the bathroom or getting water.

Skater Code of Ethics – Disciplinary Rules:

1. Any coach may speak to a skater about inappropriate behavior.
2. Skaters not following the Code may be asked to leave the session by any coach and will not be refunded for any portion of the lesson missed as a result.
3. Depending on the severity of the infraction, skaters may or may not be allowed back on the ice for their next lesson.
4. If the inappropriate behavior continues, on or off the ice, the Tri Area Skating Club reserves the right to cancel the skater's class registration and/or restrict the skater's ice-time. At the discretion of the Board, the skater may be allowed to return to classes and/or the ice. If the skater is not allowed to return, the Tri Area Skating Club will not issue a reimbursement for missed ice time.

PARENT CODE OF CONDUCT

CREATING A POSITIVE ATMOSPHERE

Keep in mind that your child may spend more time at the arena than they do at home. We all play a role in creating an atmosphere that teaches our children positive life skills. As the saying goes, "It takes a village to raise a child". Everyone needs to do their part. Gossiping or putting down other skaters, coaches, or parents is not the life lesson we want our kids to learn.

LEAVE THE COACHING TO THE COACH

Your role on the parent-coach-athlete team is as a Support Role with a capital S! You need to be your child's best fan. Unconditionally! Leave the coaching and instruction to the coach. Provide encouragement, support, empathy, transportation, money, help with fund-raisers, etc., but... do not coach! Most parents that get into trouble with their children do so because they forget to remember the important role that they play. Coaching interferes with your job as a supporter and fan. The last thing your child needs and wants to hear from you after a disappointing performance is what they did technically or strategically wrong. The biggest danger about giving your child advice is that you might be making their error worse instead of better. Trust your coach!

- Show consideration for coaches and other skaters involved in lessons during a session.
- A lesson should not be interrupted by another skater or any other person unless there is an emergency. Please contact the Board with any questions or concerns, or to arrange a meeting with your coach to discuss skater development.
- Please keep in mind that we do have a lot of skaters in various programs at the TASC, we are a volunteer Board of Directors and the coaches are paid, private contractors. If the Board feels that any of the aforementioned people's time is being monopolized, you will be charged for the time it takes to answer your questions/ concerns.
- Ensure your child arrives on time for sessions, allow adequate time to warm up and stretch prior to stepping on the ice to prevent injuries.

COMPETITION & TEST DAYS

At competitions, your child first and foremost represents the Tri Area Skating Club. Teach your children to be humble winners and to learn from their mistakes. Refrain from talking about other competitors, clubs, judges, or coaches until you are in the privacy of your own home. Judges look like normal people and will often check results just like everyone else. Also discuss your child's report card in private or away from other skaters, coaches, and most importantly judges. If your child is testing at a Tri Area Skating Club hosted high assessment day, you will be expected to volunteer. This includes playing music and other duties as required.

OUR VISION

Our vision is not only to create great skaters but to also create strong, confident young athletes. To create an empowering environment to teach life skills and lessons that will allow them to become strong leaders in all aspects of their life.

MAKE UP ICE POLICY

This policy is meant for temporary/ short term absence mostly due to illness or mild injury

Skaters are able to make up missed ice time by attending sessions they're not registered for, subject to the following restrictions.

1. Missed days cannot be banked and applied to future programming, ie. Spring session
2. The makeup session cannot occur when ice is already at maximum capacity. (25 for Junior, 20 for intermediate and senior, 20 for mixed levels)
3. Coaches need to be notified of any changes for lesson planning
4. This policy includes on ice sessions, off-ice classes, and stroking classes
5. The Tri Area Skating Club is not responsible to provide refunds for missed sessions and are not obligated to provide make-up ice. This policy is intended as a tool for skaters to make up for missed sessions.

No Show Lessons

1. No Show Lessons are booked times where skaters do not attend the session with no notice to the coaching team
2. If skaters No Show, they are not included in the Make Up Ice Policy

PROGRAM ASSISTANT

Program Assistants are an essential piece to maintain successful operations of the learn to skate programming offered. Program Assistants are Star Skaters who choose to assist with the group programs offered by the club.

Program Assistants are required for CanSkate 3+, CanSkate 5+, and Junior Development.

Program Assistants are compensated for their time in the following:

- 5 Volunteer Hours are required prior to any compensation.
- Program Assistant Training will happen two times a year, one of these training sessions must be attended prior to becoming an official Program Assistant. This training can be used towards the volunteer time requirement.
- \$7.50/ hour
- Payment will be done at the end of Fall and Spring sessions in the form of a gift card or account credits. PA's who have not earned a minimum of \$25 at the end of the fall session will have their payment deferred to the Spring session.

To be a Program Assistant, 2 of the following must be met:

- Passed full Star 1
- Age 11+
- Shows passion and desire to work with kids

PROGRAM ASSISTANT RESPONSIBILITIES:

As a Program Assistant, you play a key role in supporting our programs and ensuring a positive experience for all participants. Your responsibilities include:

- Setup and Cleanup Support: Assist with setting up and tidying up equipment before and after sessions. This includes placing pylons, group flags, coach bins, drawing circuits on the ice, and any other items as requested by the coach.
- Coach Communication: Maintain clear and timely communication with your assigned coach to understand daily expectations and tasks.
- On-Ice Assistance: Support skaters during sessions by offering guidance, encouragement, and help as needed, under the direction of the coach.

DEVELOPMENTAL COACH BURSARY

The objective of this bursary is to provide a maximum of 4 skaters annually a bursary of \$300 towards the Skate Canada CanSkate Coaching course.

In order to be eligible for this bursary a skater must be a member of the Tri Area Skating Club, and have been a Program Assistant with the Tri Area Skating Club for at least 5 sessions.
(Fall/Winter/Spring)

Application should include:

- A letter outlining the skater's history with the skating club and detail why the skater wishes to coach,
 - Summary of the classes they have PA'd (levels/ coach/ sessions),
 - Letter of recommendation from at least 1 senior coach they have worked with.
- Application must be submitted by April 1st for the selection committee to review.

Selection committee will consist of: the Group Coordinator, one senior coach, and one board member who does not have a child applying for the bursary that year.

Successful recipients must coach at the Tri Area Skating Club for a minimum of one year.

Payment of the bursary will be executed upon proof of payment and course completion.

CELEBRATIONS/ OTHER INFORMATION

WINTER HOLIDAY CELEBRATION

Skaters in the Junior Development, Star 1 Academy, and StarSkate programs are invited to join us for our annual Holiday Celebration in December before the winter break. This is a fun opportunity for skaters, coaches, and families to celebrate the season together.

Watch the club website and your email for event details, registration information, and volunteer opportunities.

Save the Date:

December 19 from 10:30am – 12:00pm for TASC Santa Skate

YEAR END CELEBRATION

At the conclusion of the season, the club hosts its annual awards banquet and activity for skaters in our Junior Development, Star 1 Academy, and StarSkate programs. This special event is a highlight of our year, dedicated to celebrating the progress, dedication, and achievements of all our athletes. More details, including dates, and location will be shared later in the season.

Save the Date:

June 6, 2027 from 11:30am – 2:30pm at Heavy Metal Place

PHOTO DAY

We are excited to offer a **complimentary Photo Day** for all StarSkaters! This is a wonderful opportunity for each skater to have an individual professional photo taken. Digital copies of the photos will be provided at no cost and will be available for families to download and print.

Photo Day Details:

Date: October 22, 2026

Location: Tri Leisure Centre – South Ice

Time: 4:15–5:15 p.m.

Please ensure your skater arrives dressed in their **competition attire** and is ready for their photo.

OIL KINGS AND TRI AREA SKATING CLUB FAMILY FUN DAY GAME

The Tri Area Skating Club has partnered with the Edmonton Oil Kings for a fun afternoon of hockey! Join us for an exciting game, where skaters will have the opportunity to welcome the players onto the ice in a special high-five tunnel before the game begins.

Date: November 1, 2026

Time: 4pm

Ticketing information: contact: Danielle Carter at clubdirector@triareaskatingclub.com

Ticket Prices are: \$21.00 each
